wheel turns
lock-to-lock*

Safe-T QC® SS137XX (Single)

The kit contains the following:

- 1- SH5094P Helm
- 1- SB27484P 90 Degree Bezel Kit
- 1- SSC62XX Steering Cable
- Hardware & Instruction sheets

Kit sizes 8-23 feet

SSC61XX can be used as a replacement cable.

*3 steering
wheel turns
lock-to-lock*

NFB = No FeedBack, an exclusive Teleflex feature built into the helm to fight prop torque feedback.

Steering Wheel Turns Lock to Lock = steering wheel revolutions from hard over port to hard over starboard.

selecting replacement mechanical steering

Rack & Pinion Steering Kits Overview:

NFB™ Rack SS151XX (Single)

The kit contains the following:

- 1- SH5230P No FeedBackHelm
- 1- SB39544P 90 Degree Bezel Kit
- 1- SSC134XX Steering Cable
- Hardware & Instruction sheets

Kit sizes 10-20 feet (Single cable)

SSC154XX can be used as a replacement cable (single cable systems only). SSC124XX old style rack cables CANNOT be used with these systems.

4 steering wheel turns lock-to-lock

NFB™ Pro Rack SS152XX (Dual)

The kit contains the following:

- 1- SH5230P No FeedBackHelm
- 1- SB39544P 90 Degree Bezel Kit
- 1- SSC135XX Dual Steering Cable
- Hardware & Instruction sheets

Kit sizes 12-16 feet (Dual cable)

SSC124XX old style rack cables CANNOT be used with these systems.

4 steering wheel turns lock-to-lock

Back Mount Rack SS141XX

The kit contains the following:

- 1- SH5210P Helm
- 1- SB39526P 90 Degree Bezel Kit
- 1- SSC134XX Steering Cable
- Hardware & Instruction sheets

Kit sizes 8-23 feet (Single cable)

SSC154XX can be used as a replacement cable (single cable systems only). SSC124XX old style rack cables CANNOT be used with these systems.

4 steering wheel turns lock-to-lock

Steering Kit Available Cable Lengths:

Rotary Kits:

NFB:

SS132XX	10' - 20'	NFB Safe-T II
SS157XX	11' - 25'	NFB 4.2 Tilt Single Cable
SS147XX	10' - 20'	NFB 4.2 Single Cable
SS148XX	12' - 16'	NFB 4.2 Dual Cable

TRADITIONAL:

SS137XX	8' - 23'	SAFE-T QC
---------	----------	-----------

Rack & Pinion Kits:

NFB:

SS151XX	10' - 20'	NFB Rack Single Cable
SS152XX	12' - 16'	NFB Pro Rack Dual Cable
TRADITIONAL: SS141XX	8' - 23'	Back Mount Rack

NFB is strongly recommended for most engines without power-assist steering. HPS is recommended for most engines with power-assist.
